

BRETOM > We're hiring!

Junior Designer

Salary: £25-28k > Permanent > Experience in Adobe and Microsoft suites > London - Flexible > Big-thinking, collaborative minds

An opportunity to make a difference

As a Junior Designer you will be a central and integral member of the Bretom team, supporting us to deliver the highest quality creative outputs and build rewarding relationships with our clients. You'll contribute to the creation and delivery of a wide range of digital and print projects, from quick turnaround digital banners to high quality print literature, event collateral, social media campaigns and presentations.

At Bretom, we don't hide our creatives away in the studio. You'll have regular direct contact with a range of clients, and the opportunity to own and build trusted partnerships with them, influencing and inspiring them through your work and ideas.

With experience working across the Adobe and Microsoft suites, you'll have great design skills and be able to produce both accurate and timely artwork across our portfolio. Motion graphics and social media asset creation are growth areas for Bretom.

The areas you can flourish in

This is a huge opportunity to hone your creative skills as well as build lasting relationships with colleagues and clients. As we grow, we want you to grow with us, and we will give you the support, guidance and autonomy to thrive.

In this role you will have the chance to:

- Help bring client brands and concepts to life as you create and contribute to the design and delivery of client collateral from ideation through to delivery. Working closely with brand guidelines and deliver assets that are consistent with them.
- With a critical eye for detail and accuracy, you'll maintain and quality assure assets to support online/offline communications, marketing campaigns and business development using industry standard software applications (Photoshop/Sketch), artworking (InDesign and Illustrator), presentation building (PowerPoint/ Word/ Keynote/Acrobat/ Adobe XD).
- Contribute towards creative concepts for client campaigns, formulating ideas, launch initiatives, communication tactics and channel innovations whilst providing clear connections to audience needs and motivations.
- Build meaningful, long-lasting client relationships as a key point of contact, demonstrating great communications, attention to detail and managing client requests in a timely and proficient manner.
- Bring creative thinking and insights to social media communication campaigns for clients, elevating creative execution and impacting engagement (and influencing Bretom's own social media presence where the opportunity presents itself).
- Be a humble and passionate collaborator, liaising with key stakeholders (employees and freelancers) across the agency, to manage their expectations throughout the production of your collateral.
- Execute multiple projects simultaneously, to deadline and assist in project planning to ensure deadlines are realistic and achievable.
- Proactively seek inspiration from the industry and beyond it, to keep your solutions fresh and exciting, and to bring innovation to our work.

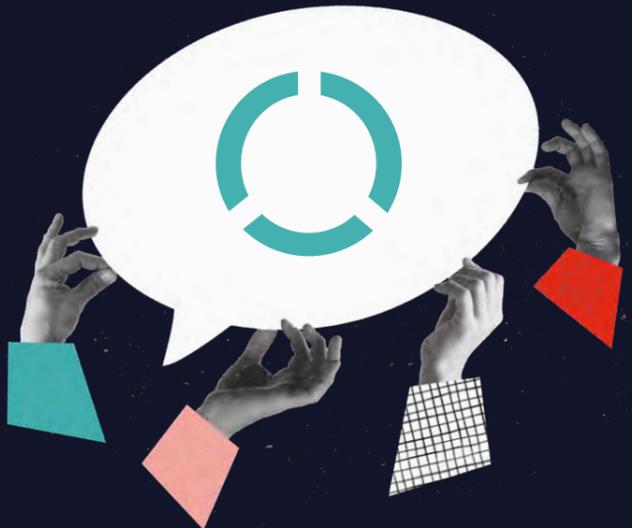

Working at Bretom

At Bretom, we are grounded but brilliant, driven by exceptional outputs rather than personal ego. Where craft, strategic creativity and intelligence come out to play. Bretom is a space for ideas and creativity to flourish – no matter where or who they come from.
